Dimensions (mm)

Width (mm)	240
Depth (mm)	415
Height (mm)	56

Specifications

Compatibility	Induction hob
Material	Cast aluminum with ceramic coating
Number of handles	2
Weight (kg)	2,4

Cleaning

Hot water and a little washing-up liquid will suffice for cleaning the teppanyaki plate using a soft brush or non-abrasive sponge.

The grill plate is dishwasher-safe, but cleaning agents can possibly dull the ceramic coating layer from the grill plate. However, this cleaning method does not affect the proper functioning of the grill plate
